

Your tenancy

an easy read guide

Welcome to your Camden tenancy

We hope you are happy in your new home

What is a tenancy agreement?

A tenancy agreement is a paper you sign to say that you agree to the terms and conditions of your tenancy

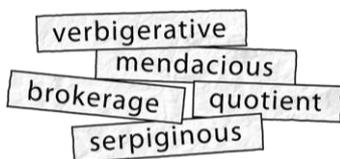

These terms and conditions are like rules

This agreement is a contract between you (the tenant) and the Council (the landlord)

What you must do as a tenant

If you accept a Camden tenancy we expect you to

	<p>Pay your rent on time</p>
	<p>Take good care of your home</p>
	<p>If you are a couple we usually expect you to share the tenancy - this is called being a joint tenant</p>
	<p>New council tenants have a trial period of 1 year We can increase this to 18 months or end your tenancy if you have broken the tenancy rules</p>
	<p>After the trial period you can keep your home for as long as you want unless you break these tenancy rules</p>
	<p>Let us know if you have any problems with your housing and we will let you know if we can help An example of a problem could be anti-social behaviour</p>
	<p>You must pay your rent Let us know if you need help with this</p>

	<p>You must live in the flat or house we have given you and not pass it on to someone else</p>
	<p>If you are going to be away from home for longer than 3 months you must tell us</p>
	<p>If you have another flat or house you could live in we may ask you to give up your tenancy</p>
	<p>You may be able to swap your home with another tenant if we agree</p>
	<p>If you break the tenancy rules, we will try and help you keep your home but you could lose it</p>
	<p>Sometimes we will need to go into your home, to check the gas or do repairs for example</p>
	<p>In an emergency, if there is a flood for example, we may have to go into your home – we will always try to contact you first</p> <p>We will show you our ID card</p>
	<p>Make sure everything you tell the Council is true</p>

Looking after your home

We expect you to take good care of your home

You can make improvements to your home but you have to ask us to agree first

You can't fix anything to your home unless we agree

This means things like satellite dishes or security doors

You must put down carpets if we ask you to

Keep your home clean and free of rubbish

Look after your keys – you may have to pay if you lose them

If you have a garden or a balcony, keep it tidy

Don't leave rubbish outside unless it's where it should be

Be careful not to do anything that causes a fire risk (for example leaving candles unattended)

It's a good idea to have household insurance
This is also called **house contents insurance**

Only park in parking spaces or car parks

Pets and pigeons

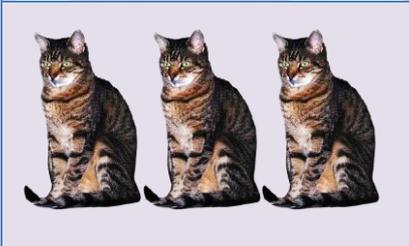

Keep any dogs on a lead

No more than **2 dogs** although we can stop you keeping any dogs at all

Clean up any mess

No more than **3 cats**

Make sure any pets don't cause a nuisance – this includes dogs barking

Don't feed pigeons on the estate or outside your block or flat

Other people

Have consideration for others living around you

You are responsible for your family and visitors

Be considerate to others

For example, don't make any noise that can be heard outside your home between **11pm** and **8am**

You should ask us if someone else can move in with you unless it is a family member or friend

What the Council must do

We will do the repairs that the law says we must do if you tell us about them

We will give you help and advice if you tell us about anti-social behaviour that is affecting you

We will ask for your views first if we plan any big changes, for example if we are going to carry out major improvements to your estate or home

You have the right to see any records we have about you

We will follow the rules in the Data Protection Act and look after your personal information

If you want to end your tenancy

Tell your housing officer at least **4 weeks** before you want your tenancy to end

Leave your home clean and tidy if you move out
