We would like to thank everyone who has been reading our Newsletter for your support and positive feedback

We look forward to another successful year

December January February

Over the last few months we have been very busy with our Easy Read work:

For London Councils, we worked on an Easy Read letter and leaflet about the changes to the Taxicard service in 2019 and an Easy Read version of the Taxicard Welcome Pack too.

An Easy Read Information Pack and Survey was developed for Hampshire County Council who are currently asking local people about possible changes to their Specialist Teaching Advisory Service.

And we recently finished working on an Easy Read Report and Survey for NHS Bristol, North Somerset and South Gloucestershire.

We have more exciting news about an EasyRead+ project that has just started but will save that for our next newsletter.

If you would like to know more about our EasyRead+ service and why it is important to our members take a look at our YouTube video.
