

Carers Assessment & Eligibility workshop

Following the release of our latest on-demand webinar, Imagineer are pleased to be partnering with 'Bringing Us Together' once more to host an online workshop where we will unpack and discuss the content of the Carers Assessment and Eligibility on-demand webinar in further detail, giving people an opportunity to ask questions.

When: 26th April 2022

12.30pm until 2.30pm

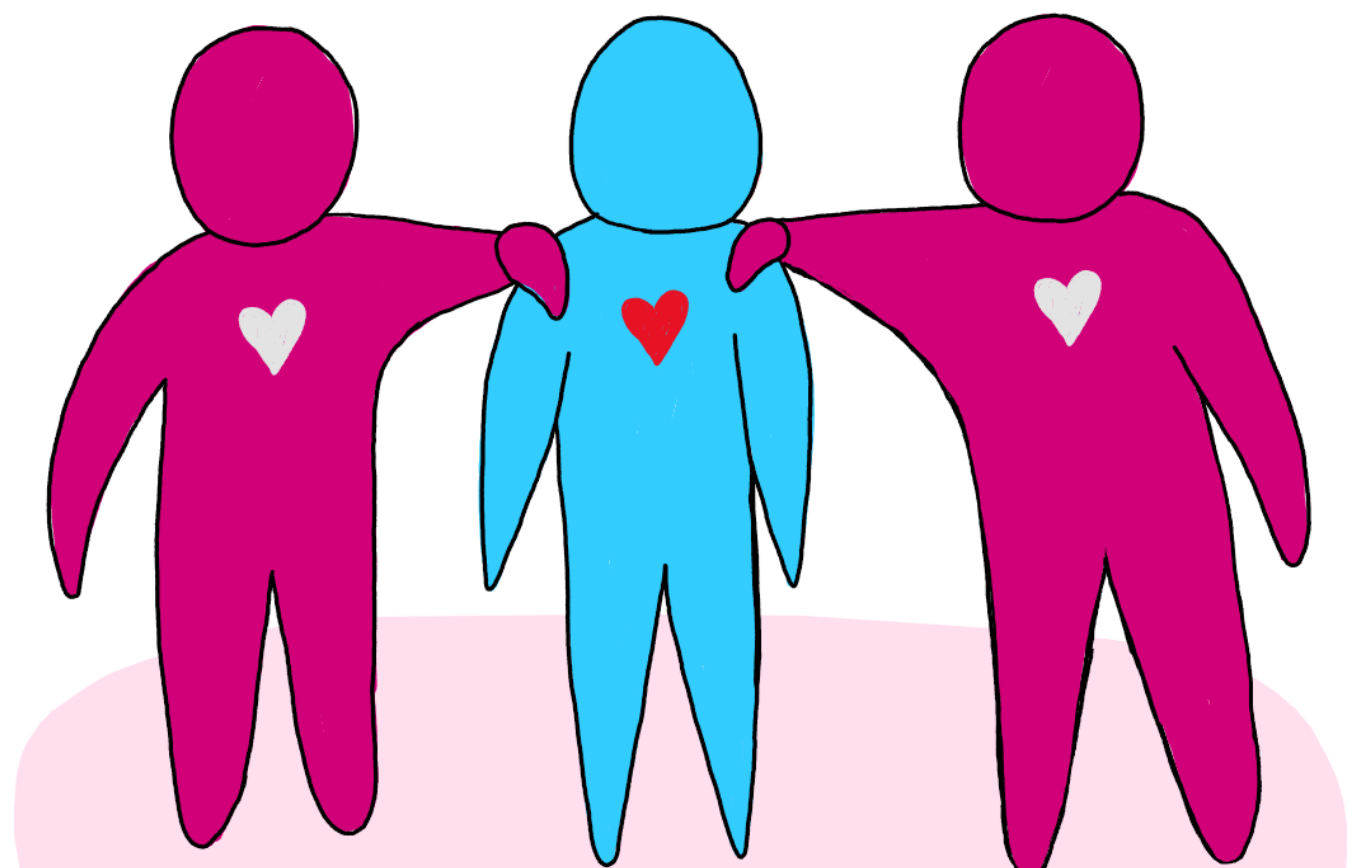

Via Zoom

To get the best out of the workshop, we would encourage you to first watch the on-demand webinar on the Imagineer website. Click the following link to register and access the webinar:

The webinar (and following workshop) is suitable for anyone acting as a non-paid carer, wishing to gain a greater understanding of their rights; and anyone working alongside unpaid carers and people accessing Health & Social Care services.

The information in the webinar has been developed as a result of conversations with people who access Health and Social Care services, and their carers.
