

Camden People First

November 2023 Newsletter

Welcome

Welcome to our Camden People First November 2023 newsletter.

Weather

There have been lots of rain and heavy wind because of the storms and there is more bad weather coming.

Make sure you check the weather before you leave the house. If it is raining, make sure you take an umbrella and a rain coat to stay dry.

It is very cold outside. Make sure you wear your hats, scarfs and gloves and turn the heating on at home to keep warm.

You should also try to drink more hot drinks to keep warm.

Celebrations

It was bonfire night on 5th November and everyone got together to see all the fireworks.

Christmas is coming on 25th December. Many people have started to buy presents and Christmas clothes to celebrate with their friends and family.

Some shops, streets and houses have started decorating with Christmas lights and some have put up Christmas trees too.

There are sales in the shops leading up to Christmas so make sure you are keeping an eye out. There will also be Boxing day sales and January sales later on.

It was Remembrance Day on 11th November and many people had a 2-minute silence at 11am to remember the soldiers that had died in the war.

Indians have set a new world record after lighting more than 2.2 million oil lamps to celebrate Diwali.

Diwali is a five-day Hindu festival of lights and people gather to release sky lanterns to celebrate.

War in Gaza

There is a war going on in Gaza.

Palestine is under attack from Israel and many people have been injured and killed.

People have also been cut off from the internet and phone networks at least three times, making them more lonely.

What is happening is very bad because they are not able to leave their country.

We hope the war will stop soon.

Easy Read

We are still making Easy Read documents so please get in touch if you would like anything put into Easy Read.
