

Are you a woman between 25 and 74  
or a man between 60 and 74?

**We want to know what you think!**

### **What is this study about?**

We want to know what helps people with learning disabilities do cancer screening.

We also want to know what makes it hard for people with learning disabilities to do cancer screening.

**OR**

### **What will happen if I take part?**

You will speak to a researcher online or in person.

The researcher will ask you questions about cancer screening. They will ask you about what makes it easier or harder to do screening.

We want to speak to you even if you have not done screening before.

### **It is up to you if you take part!**

#### **How can I find out more?**

Please contact the researcher. Her name is Lauren. She can send you study information. This will give you details about taking part.

She would also be happy to answer any questions you have.
