

Have your document or information changed into easy read for FREE!

Building Bridges have an easy read service. Usually organisations pay us for doing this, but we are offering to produce one piece of easy read for FREE!

We are looking for ideas and suggestions from self-advocacy groups, or someone with a learning disability.

You need to tell us your idea by the end of November 2022.

To apply - first join our mailing list by filling in www.building-bridges-training.org/get-news and then send your suggestion via the contact us link our website

www.building-bridges-training.org/contact-us

Choose easy read services on the drop down menu and put your easy read idea in the text box, then press the send mail button.

The **members of Building Bridges** will then look through all the ideas and **choose the winner** to be changed into easy read.

Here are some examples of ideas you could use...

Examples:

It could be some information or a document you have already that isn't in easy read.
Or it could be just an idea or topic you would like more information about.

It can be about anything that would be helpful for people with a learning disability to live safer, healthier and more included lives. Some examples are:

- how to keep safe travelling on public transport
- a healthy recipe
- something in the news
- looking after pets

Your topic or idea must be helpful for people with a learning disability anywhere in the UK, not just for your group or area.

It can't be a report about your organisation, or about services just in your area.

Good Luck!:
