

## Experience of Online Negative Comments for Adults with a Learning Disability Study

**Are you an adult with a learning disability?**

**Have you ever been online? or  
Do you go online now?**

**If the answer is Yes,**

**You might want to take part in a research study where we want to find out about people's negative online experiences.**

**If you want more information about this study.**

**Please contact from the University of Wolverhampton:**

**Fiona Clements**
